River Valley Community Tenders Party — Bride Entertained at Shower Here

On Saturday night last, the River Valley School was filled with well over one hundred people to tender Mr. and Mrs. Joe Hagerman (nee Lois Morrow), a community shower. Mr. John Sager, with his capable way, was chairman for the evening's programme, which opened with "O Canada", with Mrs. Phil Conley at the piano and Mr. Ralph Johnson leading the community singing.

Readings were given by Mrs. Maria Heasman, Mrs. Harry Vandervoort and Mrs. Percy MacMullen. Mrs. Walter Warren delighted with two solos, with Mrs. Harry Morrow at the piano. Mrs. Sheldon McIntosh gave a lovely solo, using Joe's and Lois' names throughout. Mrs. Glenn Brooks also delighted the group with a solo, with Miss Marilyn Conley at the piano.

Mrs. Jack Bush conducted a game which kept the crowd very lively with laughter and was enjoyed by all.

Mr. Sager provided chuckles and laughs throughout the programme and extended his best wishes to the bride and groom. Joe and Lois were asked to take chairs and Mrs. Ernest Carr gave the address, with Ed. Heasman, Otis Richardson and Robert Donohoe presenting the gifts of a lovely five-piece bridge set and a contemporary three-light pole lamp. Joe and Lois expressed their sincere thanks to all of the community for what has been done for them and invited all to visit them in Oshawa.

Mr. J. B. Belshaw and Mr. Lorne Hagerman both gave enjoyable speeches, giving Joe and Lois best wishes and the hope for a long and happy wedded life. The Queen was sung and a delicious lunch was served.

Sports Notes

(by Bob Taylor)

Stirling has been bereaved of one of its most prominent sportsmen with the death of Major Fraser. When health permitted, "Maj." as he was known, was as prominent at any sports' contest as the players themselves. He donated prized trophies for Pee Wee competition in both hockey and softball. For Maj, the game is over, but a game which he played well.

The organization of a new rural hockey league began last week at a meeting at Ivanhoe. Entries were received from Thomasburg, Glen Ross, Ivanhoe and Wallbridge. It is expected that at least two more teams will join at the next meeting to be held at Ivanhoe on October 14th.

Madoc won the O.A.S.A. Juvenile "C" Championship in Madoc Saturday night, defeating Niagara Falls in two straight games.

On Wednesday, September 29th, the high triple, 653 and high single, 309, were taken by Barb. Noble. High average, Helena Oosting, 220.

Other 200 games — Helena Oosting 220, Marg Bird 226, 206; Bessie Hewton 220, Bertha Montgomery 205, Shirley McKinnon 206, 221.

The Owls took 5 points from the Orioles, getting 2 points; while the Wrens took all 7 points from the Canaries.

HELP THE SCOUTS - BUY AN APPLE

Apple Day is here again. On Saturday of this week, members of the local Cub Pack and Boy Scouts, in uniform, will canvass the Village, selling nice red apples, in an effort to raise funds to help Scouting in Stirling.

The local groups have been quite active in the Community and it is hoped that the citizens will give the needed support to do their work. All the natural love of boys for the outdoors, all their longing for good comradeship, all their healthy desire for play and adventure finds most complete expression in the Boy Scout organization. But even more important than these is the inculcation of all those qualities of heart and mind and body which make for good citizenship. A Boy Scout is self-reliant. He is loyal. He learns to be useful and above all, he learns to serve others by helping them.

Every normal boy wants to be a Boy Scout, and in our opinion, everything possible should be done to further the interests of the organization in Stirling. For the organization will make a true, loyal, honourable, useful man of any boy. It will make him in a word, a good Scout — than which no higher tribute can be paid him.

The more one knows about the aims and ideals of Boy Scouts, the more keenly one appreciates the fact that public-spirited citizens have made the local groups possible. It is for grown-ups, the adults, the parents to make certain that the organization does not lack for funds to carry on. That can be done by enthusiastic co-operation in this campaign.

We appeal to Mr. and Mrs. John Public for their financial help to aid Scouting in Stirling. Help yourself to Health. Buy and apple from a Cub or Scout on Saturday.

LEGION NOTES

During the past week, the Legion lost one of its most faithful members. We speak of Comrade Major S. Fraser. A Life Member of Stirling Branch, Comrade Fraser devoted a great deal of his life to the ideals and objectives of the Royal Canadian Legion.

Comrade Fraser was one of the most active workers in the Legion's annual Poppy Campaign. His devoted work over many years did much to bring the message and meaning of Remembrance to the children of this community.

His abiding interest and active support of sports for the young is an excellent example for all of us to follow.

As we look back on his association with the Legion, we sense the great loss sustained by Stirling Branch in particular, and by the community in general. May we endeavour to follow his example of service.

Veteran's Passing

By L. J. Humphrey

(13th Can. Field Ambulance, 1916-18) O, doff your hat and stand erect And set your thought on high. What's this procession I detect? A veteran passes by.

He offered all that life might hold, How died he I know not. Suffice for me to be resolved To venerate his lot.

You counters of the minted dross, Masters of profits sly, What profit profit? THIS is loss. A veteran passes by.

Pass, noble man, to rest above, Answer the Roll Call high: I know I owe you life and love, O Veteran passing by.

But the only way to appreciate a '66 Chevelle is to see it for real. And you can't do that here. The place to go is your Chevrolet dealer's.

ALL-NEW CHEVY II

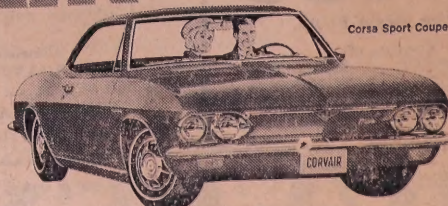

Chevy II is something else again for 1966. We've lowered the roof, raised the horsepower available and given it a whole new look. It's so different, we should really call it the Chevy III. What's the economical dependable, salt-of-the-earth Chevy II coming to? A lot of very smart car buyers, the way we figure it.

Nova Super Sport Coupe.

UNIQUE CORVAIR

Corvaire, like all the '66 Chevrolets, has a padded instrument panel, padded sun visors. Seat belts front and rear. Backup lights, windshield washer and 2-Speed wipers, outside rear-view mirror. Fully synchronized 3-Speed transmission. All of it standard equipment. Corsas. Monzas. 500's. Come get one. Stay young.

He bade no one a last farewell,
He said goodbye to none;
His spirit fled before I knew

He would no more return;
That he in death so soon would sleep.
And leave me here to mourn.
Peacefully sleeping, resting at last,
His weary trials and troubles are,

Sleep on, dear one, and take your rest,
I loved you much, but God loved you best.

Village Council Make Plans To Pave Several Streets At Monthly Meeting

Approval Received For the Liquor Vote on December 13th — Accounts Passed

Members of Village Council gave approval to pave several streets at the Wednesday night monthly meeting. Streets planned to be given a permanent top this fall will be Henry, to at least Elizabeth, Emma, Annis and Allan. This work was budgeted last January in the Streets By-Law.

Reeve D. W. Rodgers chaired the meeting and Councillors R. Anderson, M. Faulkner, B. Glendinning and R. Hulin were in attendance.

The following correspondence was read by Clerk-Treasurer W. L. Pollock and dealt with:

Domtar Chemicals Ltd., highway salt, price list; The Royal Architectural Institute of Canada, Centennial; Federal Provincial Grants Programme, Centennial signs; Godden Lumber Co., damaged sidewalk; Dept. of Public Welfare, dependent foster children; Liquor Licence Board of Ontario, by-law; Brian Crossman, equipment; Office of the Fire Marshall, fire prevention contest; Dept. of Highways, painting specifications; National Employment Service, Winter works; Community Planning Association, planning problems; Stirling-Rawdon District High School, Sept. minutes; Charles E. Hicks, monthly report; S. C. Jewiss, 1966 Assessment Roll; Ontario Water Resources Commission, streets; Clerk of the Peace, County of Hastings, selection of jurors; County of Hastings Engineer, application for rebate on streets.

The Clerk was authorized to contact the local dealers and ask for quotations on salt for use on the streets this winter, on motion of Councillors Faulkner and Hulin.

Approval was received from the Liquor Licence Board of Ontario, giving approval for holding a plebiscite in the Village on December 13th.

On motion of Glendinning and Faulkner, no action will be taken at present on the request of Brian Crossman for the purchase of the amplifier equipment at the Theatre.

Delay Painting of Bridge

Due to the lateness of the season, Council decided to delay painting of the Front Street Bridge until next Spring on motion of Glendinning and Hulin.

The report, as submitted by Police Chief C. E. Hicks for the month of September was received on motion of Hulin and Faulkner.

The communication from the Ontario Water Resources Commission suggested that in future street reconstruction, more attention be given to manholes, as several were now covered and it was making it difficult for Public Utilities workers to locate them.

Reeve D. W. Rodgers, Councillor Robt. Anderson and Clerk W. L. Pollock were appointed as a committee to select jurors.

It was decided to make \$4,000. available to the Arena Committee as previously budgeted for renovations so that the necessary repairs can be completed this fall.

W. J. Morton, representative from the Village on the Stirling-Rawdon District High School Board was present and a lengthy discussion took place on matters pertaining to the future of the High School.

The following accounts were passed for payment on motion of Councillors Anderson and Faulkner:

BERTON SINE DIES SUDDENLY

A lifetime resident of Rawdon Township, Berton (Bert) Allan Sine, died suddenly Tuesday morning in Stirling following a heart seizure, in his 37th year. Born at Harold, he was the son of Mrs. Carman Sine and the late Mr. Sine. He attended Rawdon Public School and Stirling High School and following his education, farmed on the 6th Concession of Rawdon.

Mr. Sine was married to Evelyn Reid, who survives. Also surviving are five children, Linda, Joyce, Karen, Stephen and Susan, all at home; and one brother, Glenn Sine, of Harold.

He was a member of the United Church, and for a number of years was a trustee of S.S. No. 7 prior to the forming of the Township School Area.

Resting at the family residence, 6th Concession of Rawdon from Wednesday noon, the funeral service will be held in Salem United Church on Friday, October 15th, at 2.30 p.m. Interment will be made in Bethel Cemetery.

In Hospital

Friends of Vernal Steacy, Old Marmora Rd., will regret to learn that he was admitted to Kingston General Hospital Sunday night.

Ordination To Be Held At St. John's

On Sunday afternoon, in St. John's Church, the Bishop of Ontario will raise the Rev. James A. Thompson, of Madoc, to the Priesthood, and order Mr. Virgil Frances Earle, of Rothbury, to the Diaconate.

The Preacher at this service will be the Rev. A. H. Brandon, Rector of Tamworth.

The Presenters will be the Venerable A. S. McConnell, Archdeacon of Ontario, and the Rev. Robt. Stewart, Rural Dean of Hastings.

This is the first time in the history of St. John's Church that an ordination has been held in this Parish.

Gift of Reference Books Made To Stirling Public Library

Many of the reading public are making use of the services of the Lake Ontario Regional Co-Operative for rentals of books not available at the local level. Recently a gift of \$300. worth of reference books have been made to the library by this same Co-Operative, and these books are gradually being placed on the reference shelves for your use.

The following list of titles are new gift books: World Book Encyclopedia; Concise Oxford Dictionary; Larousse Encyclopedia of Mythology; Hansen's Concise Encyclopedia; "Through the Ages"; Bartlett's "Familiar Quotations"; "Oxford Companion to English Literature"; Sampson's "Concise Cambridge History of English Literature"; Schmidt's "Baby Name-Finder"; Bourinot's "Rules of Order"; Foster's "High Days and Holidays in Canada"; "Style of Address"; a four volume Encyclopedia of Science, by Harper; Fowler's "Dictionary of Common English Usage"; 7 Penguin "Guides to English Literature"; which should be a real help to Upper School students; and two magnificent volumes (a) "Ambassador World Atlas" and (b) "Westminster Historical Atlas Of the Bible".

Other reference books which have been on our shelves for a longer time are: "Encyclopedia Britannica"; "Britannica World Language Dictionary"; "Roget's Thesaurus"; 3 volume Dictionary of Dates; "Music Encyclopedia, 12 vol."; "3 volume Dog Encyclopedia"; "Encyclopedia of Furniture"; "Flower Arranging"; "Children's Parties"; "Kerr's Historical Atlas of Canada"; "Canadian Desk Atlas"; "Hammond Road Atlas of United States, Mexico and Canada"; "Larousse Encyclopedia of Ancient and Medieval History"; "Dictionary of Altitudes in History"; "Information Please Almanac, 1964"; "World Almanac, 1964"; "His- tory Sites and Monuments of Kingston and District"; "A Guide to the J. Ross Robertson Collection"; "Landmarks of Canada"; 2 vol. "Selected Writings of Bolivar"; 3 vol. "The Human Comedy"; by Honore de Balzac.

This is a reasonably complete reference section for a small library and, of course, the mailing services of the Regional Co-Operative makes an even better degree of service available for your use.

in Ottawa in the last parliament as their candidate for a second time. In spite of a heavy downpour some 900 attended the nomination meeting last Thursday night.

Editorial

SPREAD TOO THINLY

If all the organizations in town ever decided to hold consecutive meetings, the combined operations of approving minutes, reading correspondence and considering new or unfinished business could well take 24 hours a day until Christmas.

At least that's the inescapable conclusion of anybody who has made even a cursory study of present day proliferation of service clubs, charitable organizations and social groups.

When one enterprising newspaper recently made a serious attempt to find out just how many organizations there were in his town, he tallied up 347 groups of one kind or another, before giving up the idea.

His estimate that there are probably ten meetings every night, or a total of 3,600 meetings a year may have been a little generous, in view of the fact that his town supports 22 different churches, something of a record in that field.

But whatever the number, it's obvious a great many people are volunteering their time and efforts in a great number of causes.

Between service clubs, youth organizations, minor sports, school groups, professional societies, adult education classes and church groups, it's hard to find anybody who isn't involved, and some belong to as many as half a dozen organizations.

When you consider how much is accomplished, it's hard to see how it could be done by any fewer organizations than there are now. But there isn't much doubt that many individuals spread themselves too thinly, and could be more effective by working harder in fewer organizations.

General Meeting**St. Paul's U.C.W.**

Approximately forty-five ladies gathered in St. Paul's United Church Hall on Tuesday evening, October 5, for the general meeting of the United Church Women. Mrs. J. L. Good, President, welcomed all, and opened the meeting with prayer.

Several items of business and announcements were discussed. The ladies have been invited to various teas and bazaars. It is hoped that as many as possible will attend these worthwhile projects.

A report was given on visiting of the sick, the shut-ins and newcomers. Over the summer months, 188 home calls and 48 hospital calls were made.

The following recommendations were brought forth from a previous executive meeting and carried: That two bouquets of 'mums be purchased for the anniversary church service; that the church be decorated for Thanksgiving; that the general Secretary send invitations to all local churches and others to attend the Fall bazaar; that the usual donations

be made to the Thank Offering and the Church Build Fund; that all resignations be accepted as read; that the group enter to weddings and anniversary receptions to members and idlers of St. Paul's only; that the allocation be sent to Presbytery; and a new set of prices were established for the church weddings and anniversary receptions. Permission was given to the Explorers to sell United Church Calendars at the Fall Bazaar.

The devotional service was in charge of Unit 2. The theme was "Christian Stewardship and Finance". A hymn was sung, with Mrs. Harold West at the piano. Mrs. Ted Roy holds read the Scripture. A very inspiring meditation was given by Mrs. Jack McCaughen on the Scripture reading. The service closed as usual with prayer.

The programme was under the direction of Unit 1. Mrs. J. B. Small led the group in a rousing sing song which everyone thoroughly enjoyed. Mrs. Allan Wells presented the program "United We Finance". Several posters and tack boards about the room helped express the thoughts of the group in the U.C.W. groups. A Collection Plate Trap, which had been placed at the door proved beneficial at this Finance meeting.

Mrs. Francis Lyons presented a short skit with the following ladies taking part: Mesdames Roy Tucker, Allen McDonnell, Wm. Morton, Don Williams, John Svoboda, Don Donohoe, Bob Patterson, Pat Merrill.

Mrs. Robert Hatton, Finance Chairman, reviewed the local church bud-

get and very ably revealed where they stand regarding finances. A hymn was sung and Unit 3 served a very dainty lunch, as all enjoyed a social half hour.

Thanks were expressed by Mrs. Ed. Warron to all who had helped in making this, the first Fall meeting, so enjoyable.

In Memoriam

BUSH — In loving memory of a dear husband and father, Alex M. Bush, who passed away October 11th, 1965.

There is never a day that passes by, But our thoughts reach out to you, Never a joy that comes to us, But we wished you could share it, too. We cannot bring the old days back When we were all together. But secret tears and loving thoughts Will live with us forever.

— Ever remembered by wife, Margaret and daughter, Adeline. 40-1

BUSH — In loving memory of a dear

father and grandfather, who passed

away October 11th, 1965.

Upright and just to the end of his

days.

Sincere and kind in heart and mind,

Beautiful memories he left behind.

— Ever remembered by daughter,

Marjory, Harvey and sons. 40-1

COTTON — In loving memory of a

dear mother, who passed away on

August 11th, 1953, and a dear father,

on October 17th, 1962.

Their weary hours and days of pain

Their troubled nights are past.

And in our aching hearts we know

They have found sweet rest at last.

— Ever remembered by their family. 40-1

HOLMES — In loving memory of our

Dear Wife and Mother, who passed

away October 13, 1964, and sons,

Clifford, November 12, 1954, and

Douglas, September 29, 1920.

They have gone across the river

To the shore of evergreen.

How we long to see their faces,

But the river flows between.

Some day, sometime our eyes shall

see

The dear ones we love so well,

Some day we'll clasp their loving

hands

And never say "farewell."

Fellow Constituents:

I have been named once more Liberal candidate for Hastings South.

It is claimed so far in this campaign that no man can serve two masters. Yet that, and more, is the vital role of a Member of Parliament today.

An MP must guard the interests of his constituents at home; must make himself regularly available there to discuss their problems and seek individual solutions. In Ottawa, he must lobby for them.

The Parliament of Canada is the highest council in the land. Today, vital new forces are bidding for its recognition.

In 1965 an MP must be aware of these things:

(1) His constituents must be personally and individually represented — and aided — at the seat of national government.

(2) His constituents represent a sizeable segment of public opinion. Today, in national office he must represent them in a way that gains them respected attention as a forceful majority in his riding.

It is the basic duty of an MP to guard the interests of his constituents.

But he must also make his constituents count as a forceful unit in national government through his representation.

In my comparatively brief term (1963-65) of office these are the principles I've believed in and pursued with all the resources I could find at hand.

For the good of all of us my objective has been: **TO MAKE SOUTH HASTINGS COUNT IN OTTAWA.**

A Canadian MP must therefore diligently serve not one — but three — masters: His riding, his individual constituent and his country.

At this time in our national affairs, the candidate who most closely measures up to these principles is the one who must be elected for South Hastings this November 8th.

The Canada Pension Plan and its benefits

Here is what
the Canada Pension Plan
will do for people like Esther Meyer,
a 50-year-old owner of a small store
who makes \$5,800 a year.

If Esther continues to earn this amount from her business until age 65, she and her husband, who is disabled and cannot work, can look forward to a retirement income of \$104.17 from the Plan and \$75 from Old Age Security—a total of \$179.17 a month. When her husband receives Old Age Security, their income will be \$254.17 a month.

Should Esther die anytime after 1967, having contributed until her death, her husband will receive a disabled widower's pension of \$64.06 a month until he reaches age 65. At that time, or if he is already 65 when Esther dies, his pension under the Plan will be \$62.50 a month plus \$75 a month Old Age Security. On the death of his wife, Mr. Meyer will also be entitled to a lump sum payment of \$500.

All benefits under the Plan will maintain their value. The actual benefits payable will probably be higher than those

given here since benefits will be adjusted to meet changes in living costs and in wage levels before they are paid and changes in living costs after they become payable.

What will the Plan cost you?

If, like Esther, you have self-employed earnings of \$5,800 a year, you will pay \$158.40 a year which is 3.6% of \$4,400, the maximum amount upon which contributions are payable. Payment will be in instalments in the same way you pay your income tax.

This advertisement is one of a series which relates some of the important benefits of the Canada Pension Plan to individual circumstances.

Issued by
authority of the Minister of
National Health and Welfare,
Canada,
The Honourable Judy LaMarsh.

She gave a brief history of the Institute organization from its beginning in February 1897 at Stoney Creek, then the provincial national, and world wide organizations, and all departments are responsible for establishing an educational program. The objects of this world wide organization are all set out in the hand book and members should accept this challenge when they join the branch institutes. If every member practised the Mary Stewart Collect and voiced appreciation, tolerance and kind words, this old world would be a better place in which to live.

Mrs. Finkle also stressed the value of good programme planning and the responsibilities of each convener. In closing her informative address, the speaker quoted several items which had appeared in the Home & Country magazine and closed with a recipe for our Centennial Year in 1967.

The convener voiced thanks and made the presentation of a gift.

Impressive Ordination Service Was Solemnized At St. John's On Sunday

Ordination In Charge Of Right Rev. K. C. Evans, D.D., Bishop of Ontario

St. John's Church, Stirling, was the scene of an Ordination by the Bishop of Ontario, the Right Rev. K. C. Evans, D.D., on Sunday, October 17th, when the Rev. James Henry Thompson, incumbent of Madoc, was raised to the Priesthood and Virgil Francis Earle, recently appointed to Roslin after some years of service in the Church Army, was ordered a Deacon in the Church of God.

Rev. Allan Brandon Preached Service

The sermon was preached by Rev. Allan N. Brandon, Rector of Tamworth, after which the Ordinands were presented. Mr. Earle was presented by Rev. Robert Stewart, Rural Dean of Hastings, and Mr. Thompson by Ven. A. S. McConnell, Archdeacon of Ontario.

After the presentation, the Bishop asked for the prayers of the people for those to be ordained, and the Litany was sung, by Rev. David Sinclair, Rector of Tweed.

Bishop Evans began the Communion Service. The Epistle was read by Rev. Canon K. F. Blackford, Rector of St. George's Church, Trenton.

After the reading of the Epistle, Mr. Earle was examined by the Bishop, at the conclusion of which, he knelt before the Bishop who laid his hands upon him, giving him authority to execute the Office of a Deacon.

The New Testament was given to him, together with his license, by the Rev. Canon J. L. Hutchinson, one of the Bishop's Chaplains. He was then invested with the Deacon's stole, by Rev. F. F. Downing, who acted as Master of Ceremonies. After the singing of the Gradual Hymn, the newly-ordained Deacon read the Gospel, Luke 12: 35-38, then the Rev. James H. Thompson was brought before the Bishop, who charged him with the great importance of the Order of Priesthood, and examined him.

Mr. Thompson knelt before the Bishop, and the ancient hymn invoking the Holy Spirit, "Veni, Creator Spiritus", was sung, by the Bishop, Clergy and congregation, after which the Bishop summoned the Presbyters in attendance and they, with the Bishop, laid their hands on his head, the Bishop saying, "Receive the Holy Ghost for office and work of a Priest in the Church of God...". The Bible and Letters of Orders were presented by the Bishop's Chaplain, and the Master of Ceremonies adjusted the Ordinands stole, which until that time, he had worn as a Deacon, to the vesture of a Priest.

Communion Service
The Bishop then concluded the Communion Service, during which the Ordinands and their wives received the Sacrament.

The combined choirs of St. John's Church, Madoc, and St. John's, Stirling, under the direction of Mr. B. W. Little, led the singing. The organist was Mr. James Morrow.

It is the first time in its long history that the impressive service of Ordination has been held in this Parish, and a large congregation was in attendance.

In Hospital

Friends of Mrs. Percy Utman will regret to learn that she is a patient in the Belleville General Hospital where she was admitted on Sunday night.

Simonett, Clarke Collins, MLA Hastings East; Keith Brown, MLA Peterborough; Senator George White, former Senate speaker; Lee Grills, P.C. candidate in Hastings South, and Douglas Alkenbrack, MP in the last parliament for Prince Edward-Lennox.

St. Paul's United Church 112th Anniversary was celebrated on Sunday, October 17th with services both morning and evening, which were of a special nature, with appropriate music by both the senior and junior choirs. Large congregations were in attendance at both services, with friends of sister churches joining with St. Paul's in the celebration of another milestone in its history. Rev. J. Bruce Small, B.A., B.D., minister, conducted the evening service. Dr. R. B. Green, of Queen's Theological College, Kingston, was the guest speaker at both services.

Dr. Green held the attention of the congregation both morning and evening, delivering two sermons marked by simplicity and sincerity. In the morning, he chose as his theme, "The Gates of the Kingdom", and in the evening, "Partnership in the Gospel".

The church was artistically decorated for the occasion with flowers of many colours banking the pulpit.

Special Music

Special music was rendered by the Junior and Senior Chorus. At the morning service, the Junior Choir, under the direction of Mrs. Harold West, sang "My Prayer for Today". The Senior Choir, under the direction of Don Armstrong, leader, sang an anthem, "Incline Thy Ear To Me, O Lord", with Grant Richardson taking the solo part.

At the evening service, the Senior Choir rendered an anthem, "Ye Gates Lift Up Your Heads On High". Miss Anne Watson contributed a solo, "I Walked Today Where Jesus Walked". Mrs. Harry Brown was organist for the two services.

Real Estate Changes

Mt. Pleasant U.C.W.

The October meeting of the United Church Woman was held on Wednesday afternoon in Mount Pleasant Rawdon Church Hall with an attendance of twenty-two adults and two children. The decorations were in keeping with Thanksgiving, with fruit and yellow pumpkins.

Mrs. Harry McAdam, president, ex-

tended a welcome to all. Mrs. Kenneth Weaver was pianist for the Thanksgiving hymns. Mrs. Robert H. Hoard gave her report and the roll call was answered with a Bible verse on "Thanks".

Mrs. William McAdam gave the financial statement and the allocation was paid in September. Mrs. Raymond McConnell read a message of thanks.

Reports of the fourth regional ral-

ly held recently at Scott's Church was given by Mrs. Milford Wrightman and Mrs. Herbert Smith.

Nominations for Presbyterial officers were submitted. Mrs. Robert Merrick gave a summary of the plans made for the old-fashioned Tea next week for a birthday supper later in the month.

The executive has revised prices for catering to banquets and weddings and they were accepted.

The programme committee for November will be Mrs. John Morgan and Mrs. Clarence Scott and the date will be arranged later, due to the catering at the Hoard's Barn Sale and the banquet in Stirling.

The programme was arranged by the president and Mrs. Garth Joslin and was based on Thanksgiving. Miss Annie Holmes read the Bible message and Mrs. Joslin read the meditation. Mrs. Thomas Sarles rendered a vocal selection. Others assisting with the devotional were Mrs. William McAdam, Mrs. Percy MacMullen and Mrs. Robert Merrick. Mrs. Marguerite McMullen conducted a sing song of hymns. Selections were read by Mrs. Ira David and Mrs.

Grant Hubble. Mrs. W. C. Cox gave a vocal solo with Mrs. Mac Sharp as accompanist. Mrs. Robert Hoard gave the Bible Study centred on "Martha".

The refreshment committee, Mrs. Allen Reid and Mrs. Milford Wrightman, served a delicious luncheon.

KEEP SHOOTING A SAFE SPORT

With the hunting season upon us once again, I'd like to pass on to Stirling hunters and hunters-to-be the following common sense points that appeared a while back in a telephone company safety journal.

- (1) Never carry a loaded gun in an automobile, wagon, or other vehicle. Keep it in its case until you start hunting.
- (2) Before shooting, look into the breech and make sure that the barrel or barrels are clear.
- (3) Keep the safety lock on until just ready to shoot.
- (4) Never pull a gun through a fence nor carry it over with you. Keep the muzzle pointed away from yourself and others.
- (5) Never lay a loaded gun down in a boat. Never lift a gun from a boat by the barrel.
- (6) Don't set a loaded gun against a tree or a fence or leave it lying on the ground. Even a playful dog might cause it to be discharged.
- (7) After a fall, or a climb, or after walking over ploughed ground, examine your gun to make sure the barrels are clear.
- (8) Never shoot at objects indistinctly seen among trees or bushes; they might be human beings.
- (9) Before shooting a game, make sure that no house, barn or other building is in the line of fire.
- (10) Don't leave your gun or shells near a stove, a fireplace or other fire.

One other point not covered but important is that it is never open season on telephone poles, conductors or cable. Taking pot shots at vital telephone installations not only shows a very great lack of maturity but endangers the life and property of people who depend on the telephone to bring them assistance in emergencies.

1966 TELEPHONE DIRECTORY

Stirling's new telephone directory will be going to press shortly, so please check your listing. Is your name spelled correctly? And what about your address and phone number? Have you thought about additional listings? Other members of your family and relatives, roomers or boarders would benefit from having their names listed in the telephone book. If you're a businessman, you can use extra listings to show other firm names for your business — to associate your name and residence telephone number with your firm name — or to show after-hour numbers for you and your key employees. Remember, extra listings, at little cost, make it easier for people to find you. For any changes in your listing, or any additions, call our Business Office without delay.

Hi-C Group Enjoys Trip to Toronto

(by Suzanne Bailey and Sue West)

How many of us know what use is made of the United Church Missionary and Maintenance Fund in Canada? At least forty do. On Sunday, October 3rd, several members of the St. Paul's Hi-C, accompanied by their counsellors went by bus to Toronto to see their Church at work.

The United Church House, at 85 St. Clair East, the Headquarters of the General Council and the Board and Departments of the United Church of Canada, was our first stop. The recessed oval dome in the ceiling of the foyer displays a map of the world with the Great Commission

(from St. Matthew 28:19) inscribed around it. Inside the many offices of the building, the various committees make plans for carrying out this commission.

While Rev. Small conducted a tour of the campus of Victoria University for the boys of the group, the United Church Training School. We were told that a two-year degree course is offered to train men and women for the work of the Church in Canada and overseas, especially in areas of

Christian Education, pastoral assistance, social welfare, and group work. This up-to-date college is a tribute to the Church, but would be more so if a greater number of people were to apply for the courses offered.

After our supper at Burwash Hall, on the University campus, we rode the bus to the Fred Victor Mission, a lovely building in downtown Toronto. The mission offers food and shelter to destitute men, and each night signs many beds at 60c each. Much of the clothing and food donations are kept here, and given to those people. The mission also has contact with a few stores in Toronto at which the needy may buy used clothing and furniture at reasonable prices.

As we walked into the choir loft of the beautiful chapel, a sea of searching faces met our eyes. We had our first glimpse at the real poverty of our world. The Mission is administering to the great needs of lost people.

After an impressive communion service, we were shown through the basement of the building and part of the Home for Senior Men. Here, also, the mission is providing for the less fortunate men (but actually fortunate to be there). Finally, we started home with wonderful thoughts in our minds of the great help given to our brothers, and thankfulness that we are able to be part of this help.

To be better off financially, act your wage.

District Meeting of Ontario Society For Crippled Children

The Easter Seal campaign conducted on behalf of crippled children is several months away, but it was the main topic of discussion at the District Meeting of the Ontario Society for Crippled Children on Thursday, October 14th, in Trenton.

At this meeting, representatives from Service Clubs in the Counties of Hastings, Lennox and Addington and Prince Edward met with officials of the Society to plan the organization of the 1966 Easter Seal campaign to be held in their communities between March 10 and April 10. Reports by each club on their work with crippled children in the past year, revealed the many services such as camp holidays, transportation to treatment centres and hospitals, supplying of braces, wheelchairs and

other such equipment, were all being efficiently handled by the Service Club in co-operation with the Ontario Society for Crippled Children.

Chairman G. Shonker, of Trenton, stated that the Service Clubs responsibilities in the interests of crippled children is a major project with each club and demands a great deal of voluntary time and personal interest by Service Club members.

Delegates attending the meeting represented Hancock Lions, Belleville Rotary, Madoc Kiwanis, Napanee Rotary, Picton Rotary, Stirling Rotary and Trenton Rotary.

Representative from the Stirling Rotary Club was J. L. Good, Chairman, Easter Seal Committee.

ing all those repair and renovation jobs done which can call for a long wait come Spring, but which can be handled quickly, efficiently and easily during the winter season. Ask your bank about a low-interest NHA Home Improvement Loan. Plan ahead. Be a Winter-planner now.

TIME TO TURN BACK THE CLOCK

This is "catch-up" week-end — when Daylight Saving Time comes to an end, and we turn the clocks back an hour on Saturday night. You might like to turn back the time for other reasons, but with this flip of the hand, you are actually putting away for another season sunshine, and ushering in what late Fall and Winter usually have in store.

From now until late February, most of us will be getting up in darkness, and returning from work by artificial light. Be that as it may, we will have one hour's extra rest on Sunday morning — just to prepare us for the rugged days ahead.

In Hospital

Mrs. George Jervis, Holloway R.R. 2, is seriously ill in Belleville General Hospital.

Stirling Horticultural Society

Mrs. Ashley Brooks was hostess to the Stirling Horticultural Society on the afternoon of Monday, October 18th, with sixteen members present. Mrs. Frank Harding, vice-president, opened the meeting with prayer and a poem.

The business was conducted by the various officers who gave their reports. A bus trip was planned to the Royal Winter Fair, in Toronto, in November. Several members attended the Annual Meeting at Picton last month, and it was stated that the Royalty Crab for Centennial would be on sale in the Spring of 1966, for the beautification of Ontario. It was also mentioned that it would be a good idea to give attention to the Provincial emblem, the Trillium in flower beds for Centennial year, and to have name tags on the trees and shrubs in the parks and gardens for the benefit of tourists.

The two delegates to the School of Judging at Hamilton Botanical Gardens, Mrs. A. Brooks and Mrs. Ray Rose, gave an interesting report. They came through pretty well, but still have to judge at three shows in the presence of an experienced judge before they get their certificates.

Mrs. Morley Aythart and Mrs. Harry Waite, delegates to the 59th annual convention at Guelph in June, also gave further reports.

Mrs. Aythart gave some of the highlights of S. R. Buckley's talk on "Centennial Trees," also mentioning about the meaningless butchering of some trees by a man in a metal hat with a chain saw on construction sites for example. Could there not be more co-operation between Councils and the Horticultural Societies to save some of these trees. A man with a chain saw can destroy in ten minutes what has taken anywhere from 100 to 200 years to grow.

Mrs. Waite read the address of the Minister of Agriculture, the Hon. W. A. Stewart. He noted that in reading over the historical background of the organization, the Ontario Horticultural Association, it was established under an Act of Legislature of Ontario in 1906 and from that day to this has stressed the importance through its membership of beautifying the Provinces of Ontario. One other good point in his address was that horticulture, by reason of its very closeness to nature, the creation of life itself through the development of growing things, may play a most important part in easing world tensions, important part in easing world tensions, if not impossible, to turn his mind to wanton destruction unless it was absolutely necessary. And so, let us hope that as the years pass, the seed of goodwill that you have planted and nurtured in your Association takes vigorous root and brings forth a crop of international understanding.

Old-Fashioned Tea
And Bazaar

Wednesday afternoon, Oct. 20, was an ideal Autumn day and guests from twelve nearby organizations, numbering 180 people, attended the Old-Fashioned Tea and Bazaar, sponsored by Mount Pleasant-Rawdon United Church Women, in the Church Hall.

The September and October group of the U.C.W., under the direction of Mrs. Robert Merrick, planned the event and most of the members assisted with various duties throughout the afternoon. Mrs. Harry McAdam, President of the U.C.W., and Mrs. W. World.

C. Cox, wife of the minister, welcomed the guests as they arrived. Mrs. Will Jeffs and Mrs. Ross Jeffs were the financial treasurers at the door.

The Mount Pleasant ladies were dressed in costumes of by-gone days, which ranged from 140 to 100 years old. Several of the striking outfits were worn in the days of long ago by great-grandmothers.

The hall was decorated with Maple leaves in profusion, old pictures, tapestries, quilts and a large array of articles that were prominent in the homes before the turn of the century. A large bouquet of cut flowers and six long-stemmed red roses also added beauty.

Rural Economist Store was in charge of Mrs. Gordon Linn and Mrs. Herbert Smith. Two large flower stands displayed the large variety of pot plants and vegetables with red handkerchiefs in prominent corners.

This table was laden with bags of popcorn, homemade candy, apples, a potatoes and vegetables of all descriptions which included carrots, turnips, Spanish onions, citrons, pumpkins and numerous small items.

Granny's Bake Shop was in charge of Mrs. Milford Wrightman, Mrs. Raymond McConnell and Mrs. John

Talsma. This table of home cooking was laden with mouth-watering buns, layer cakes, iced to perfection, date breads, tarts, pies of all varieties, cupcakes, rolled oat cookies and muffins.

The Gifts and Apron Table was in charge of Mrs. Thos. Barles, Mrs. Stanley Williams and Mrs. Donald Knight. A long list of amiable articles and novelties were artistically displayed and included several crocheted dollies, knitted articles, woven items, children's clothing, pot holders, oven mitts, towels of different kinds, numerous aprons, fashioned in all shapes and sizes.

By closing time, every item on all three tables had been sold and this made a very successful bazaar financially.

The Tea Room was arranged with quartet tables, centred with plates of fresh fruits and each held a jar of jam and one of honey, along with a plate of butter. A bevy of folks served the guests their tea or coffee and various kinds of old-fashioned muffins, salt and chat and consume whatever they chose.

The Tea Room was convened by Mrs. Grant Hubble, with Mrs. Burton

Sharpe assisting the servers. Another group of U.C.W. members were in charge of kitchen duties.

Soft piano music was provided during the afternoon by Mrs. Carleton Potts, Mrs. Mac Sharp and Mrs. Garth Joslin.

The special prize for the grandmother with the most grandchildren was awarded to Mrs. Ira Bristol, of Spring Brook, who has 26 grandchildren by her first marriage.

Antique Display
The highlight of the afternoon was an antique display on the platform. Nothing here was for sale, but the guests enjoyed viewing the large array of articles of the days of yore. Mrs. Kenneth Weaver and Mrs. Percy MacMillan were on hand to answer the questions. One long table was covered with household items in use one hundred years ago: butter bowls, vegetable cutters, clocks, jugs, a drinking cup, powder horn and many gadgets that this generation has discarded.

Another long table was artistically arranged with dishes of every description in glass, painted china, old clover leaf tea set and many heirlooms belonging in the community. The walls were hung with embroidered quilts and children's baptismal dresses. There was a dresser and toilet set, complete; three old-fashioned rocking chairs; school pictures of students at the Allan School seventy years ago; books of all descriptions; family photograph albums; a wedding outfit of 1864; an old-fashioned easel with a large photograph of Queen Victoria; apple peeler; various irons; a spittoon; and shawls of 1850 vintage. As one guest remarked, there were several hundred dollars worth of collectors' items on display and it was remarkable that so much had been treasured throughout the years. Several men came to view the display including a collector of antiques.

The guests were in attendance from West Huntingdon, Eggleton, Stirling, Carmel, Hoards, Burnbrae, Spring Brook, Belleville, Trenton, Wellman's, Bethel and Madoc.

The group in charge worked hard to make this Old-fashioned Bazaar a successful venture and they are receiving many compliments for their efforts.

Eggleton U.C.W.

The October meeting of Eggleton United Church Women was held at the home of Mrs. W. Harlow with nine members and one child in attendance.

The president opened the meeting with a Thanksgiving meditation and prayer, after which the programme convenor, Mrs. S. Prest, took charge. Hymns on Thanksgiving were sung with Mrs. Bruce Stapley at the piano. The selected Scripture reading was given by Mrs. C. Fitchett and Little Patsy Kovach gathered the thank-offering, which was dedicated with prayer by Mrs. Harlow.

The Secretary read an invitation from Mount Pleasant U.C.W. to attend their tea and bazaar on October 4. A letter was read from Mrs. Pierson regarding the extra Fall supply sale.

Mrs. Harlow read a letter to the "On the Spot" programme on T.V. Mrs. Bruce Stapley reported on visits made and cards sent out during the month. Supply Secretary Mrs. F. Stapley reported a parcel of used nylons had been sent away.

There was a discussion on having an "Evening with Films". Mrs. Maurice Clancy contributed a solo with guitar accompaniment and all joined in the chorus. Three interesting readings on Thanksgiving were given by Mrs. S. Prest, Mrs. F. Smith and Mrs. B. Stapley.

The study on Trinidad was presented in dialogue form by Mrs. M. Clancy and Mrs. F. Stapley. The November meeting is to be held at the home of Mrs. F. Stapley, with the programme prepared by Mrs. Bridges.

The president thanked the program convenor and all attending the meeting. Mrs. Prest thanked Mrs. Harlow for the use of her home. The meeting closed with a hymn.

St. Mark's W.A.

The October meeting of St. Mark's W.A. opened with a sumptuous pot-luck dinner, served cafeteria style, at the cottage of Mrs. B. Woodbeck, Oak Lake. Following the dinner, the president, Mrs. Barlow opened the meeting with a hymn. Mrs. J. Prest read the Scripture lesson. Mr. Stewart conducted the devotional exercises as outlined in the Living Message.

The roll call, "Several things for which we have to be thankful", was answered by ten members. The treasurer, Mrs. Neal, reported a good balance in the bank and also a donation from a long and faithful member, now a shut-in.

A short programme, conducted by Mrs. Woodbeck, consisted of a reading and a contest. Both were enjoyed. Mr. Stewart showed pictures of his trip to Denmark. They were both beautiful and interesting.

The hostess served refreshments.

St. Paul's C.G.I.T.

St. Paul's C.G.I.T. group held its meeting on Wednesday the 20th. Plans were made regarding food, recreation and decorations for the Hallowe'en Party. Mrs. J. B. Small helped out as a leader.

AN OPEN LETTER TO THE VOTERS OF HASTINGS-FRONTENAC

Dear Friends and Neighbours:

In asking for your support on November 8th, you are entitled to know something about the man for whom you are asked to vote.

I was born in Saskatchewan in 1907, the son of pioneer Scottish farmers from Ontario. I am a retired lawyer, living in the riding and can devote my whole time to the needs of the citizens of this riding. I am a graduate of the university of Toronto and Osgoode Hall Law School with an M.A. degree. Mrs. Cadwell and I own and operate the Madoc Art Centre, a non-profit educational organization on No. 7 Highway, east of Madoc, Ontario.

In 1955-56 I was appointed special legal advisor to the Canadian Peace Commissioners in Viet Nam, Laos and Cambodia. Lester Pearson, the present Prime Minister was then in charge of the Department of External Affairs. In 1957, I resigned to write a book, "Communism in the Modern World" which is an independent commentary on the strategy and tactics of the Communists in their plan for world conquest. I have owned property in the riding for the past 15 years and know something of the problems and difficulties of the people of this riding.

In 1940-45, I served in the armed forces. I am a life member of the Canadian Bar Association, Past President of a Canadian Legion Branch, member of the United Church of Canada, County of Hastings Historical Society, Kiwanis International, A.F. & A.M., and the Land O' Lakes Tourist Association.

I am proud to be a Canadian and thankful for the opportunity of serving you. By choosing me as your member you can be assured that Hastings-Frontenac will improve economically to the benefit of all, and that, as a resident of the riding that I will always be available to serve your needs.

Yours faithfully,
ROY CADWELL

Spring Brook Wins Y.P.A. Softball Championship
Spring Brook defeated their arch-rivals from Glen Ross 13-12 at the local diamond Saturday night to win the Stirling District Young Peoples' Softball Championship and the Stirling Motors trophy for the second consecutive season. Members of the winning team are: Judy Bateman, Linda Bateman, Lynn Mason, Ted Reid, Eric McInroy, Wayne Casselman, Larry Downer, Sam Danford, Ken Danford, Monica Georgetat, Ron Cooney, Bill Cooney, Ron Bateman, Billy Redcliffe, Carol Peterson, Randelle Redcliffe, Grant Ray, Bonnie Finch.

Mission Study

The study on Brazil, so ably introduced by Mrs. V. Richardson in September, was continued by Mrs. D. Luery. She was assisted by Miss M. Whittle. Mrs. H. West and Mrs. E. Christie.

The topic was "The Christian Church in Brazil and Our Share in It". The Pentecostal movement is very powerful in Brazil, though the Roman Catholic faith predominates. Generally speaking though the Protestant denominations remain aloof from each other with little unity.

The Methodist Church in Brazil invited the United Church of Canada to join them in sending missionaries to assist their work in the Christian upbringing of children and their education. Since our own Rev. Floyd Honey visited this area, some evangelistic workers have been sent and financial aid of \$45,000 is given annually.

Lloyd Strong was sent as an agricultural missionary to experiment in crops best suited for the soil, and to give lessons in farming, that the diet of the people might be improved. Mrs. Strong is a graduate nurse and a great help.

Canada has the third highest standard of living in the whole world yet our contribution to those who have nothing, does not match our ability to help.

Bible Study

Mrs. Camm conducted the study on "Has God a Purpose in Human Life". She gave a review of the life of God's chosen people, the Israelites, and closed with a questionnaire on people and events in the Old Testament. The women appreciated the Study period and were surprised at the number of Biblical facts they had forgotten.

Afternoon tea was served by members of the October group, with Mrs. Russell Stapley as hostess. Mrs. E. Warren voiced appreciation on behalf of the members.

Men's Five Pin League

The halfway mark in the first quarter is now history and the teams are relentlessly vying for first place. The Bolows absconded a 7-0 score from the Garage, as did the Bad Boys from the Odds & Ends. Tom Kovack cut a 340 out of the V-shaped woodpile.

Spring Brook U.C.W.

The October meeting of the Spring Brook U.C.W. was held in the Church Hall, on Thursday afternoon with 23 in attendance. The president, Mrs. Murney Mason opened the meeting with prayer.

The Devotional period was conducted by Mrs. Joe Thompson, using the theme "Thanksgiving for the Mercy and Goodness of God". The meditation was given by Mrs. Gordon Bailey and the Scripture was read by Mrs. Burt McCoy.

The Bible study period on the life of Peter was led by Mrs. Percy Smith. Peter was an ordinary fisherman, who was given power at Pentecost to do miraculous things but always gave the credit to Christ.

The theme of the meeting was Brazil. There were several pictures and articles from Brazil on display. The U.C.W. members introduced us to Brazil by giving us interesting facts about Brazil.

"What is Brazil to Us" was presented in the form of a panel with Mrs. G. Bailey, Mrs. B. McCoy, Mrs. G. McFar, and Mrs. J. Thompson taking part. From the panel, much was learned about the many needs of our Brazilian neighbours.

Mrs. Gordon Apps gave a very interesting report from the Regional Rally. Mrs. George Williams reported that the new tables for the Church Hall had been ordered. The president asked all the chairmen of the committee to hand in their yearly reports at the November meeting.
